About This Game

Armored Squad is a fast paced team shooter with mechs, robots and tanks with bright colorful graphics.

Grab your friends and join online PVP battles!

Or play 60 offline levels and fight against AI bots.

Fight with lasers, swords and rocket launchers at the same time! Our robots can use multiple weapons simultaneously.

Force fields and jump jets, boosters and shields, tons of guns - equip the mech to fit your style of play.

Repair your allies and put defensive sentry guns.

Search for hidden mech blueprints.

Collect parts of destroyed robots to assemble new robots.

Achieve new ranks in multiplayer or single player duels.

Unlock all three levels of difficulty.

A lot of game modes won't let you get bored: Capture The Flag, Control Points, Bomb Delivery, Deathmatch, Team

Deathmatch and so on!

See you on the battlefield!
