About This Game

Welcome to Mad Gun Range VR Simulator! Now you do not need to go to the landfill to shoot a weapon. Thanks to an incredibly realistic graphics, you completely immerse yourself in the atmosphere of a shooting gallery! Moreover, you will be offered a huge selection of the coolest and most modern weapons today! Pistols, assault rifles, shotguns, sniper rifles, grenade launchers, all this you will find in the killer game from Monkey Reality Games!

Take the fascinating test in the dash to unlock more weapons and get permission to go to a crazy shooting range in nature, where you will discover an even more fun arsenal of weapons.

Shoot mock enemies, be more accurate, if it is an enemy with a hostage. Turn on the music at your music center and for the cause! Blow up banks, bottles, barrels of gasoline, gas cylinders, pumpkins, finally blow up this stupid TV and shoot a music center, because it plays crap!

Come on! Let off Steam and be sure to come back!
